Job Posting: THERAPEUTIC CONSULTANT

CSI is a small behavioral health center located in Dunbar, WV. We provide services to individuals with intellectual and/or developmental disabilities.

We are accepting applications for the position of Therapeutic Consultant to work with clients and families to develop training services for individuals who utilize I/DD Waiver program services.

This position requires:

1. A 4 year degree in a human services field, OR
2. A 4 year degree in a non-human services field and 1 year of professional experience in the I/DD field.

Experience working with individuals with intellectual/developmental disabilities is preferred but not required.

The Therapeutic Consultant:

- Develops training plans.
- Provides training in the person-specific aspects and methods of a plan of intervention or instruction to the primary care providers.
- Provides evaluation/monitoring of the effectiveness of the plan of intervention or instruction.

Must be able to:

- Proficiently operate a computer and have reasonable typing skills. (Training is not provided in this area).
- Be able to send and receive e-mail. (Training is not provided in this area).
- Be able to use word processing programs such as Word Perfect and Microsoft Word. (Training is not provided in this area).
- Must be comfortable working with numbers in order to analyze data.
- Must be able to report to work on time and with few absences.

Salary is based on experience. Mileage reimbursement is provided and benefits (insurances, paid time off and holiday pay) are offered after 90 days.

CSI's office hours are 9 am-5pm, however, this is a salaried position and working outside regular office hours is required at times in order to meet client/family needs, as well as the needs of the agency.
